KOMBAT™ Presoak

FORMULA 9142

Hyper-Concentrated Presoak

DESCRIPTION

KOMBAT™ Presoak is a hyper-concentrated detergent designed specifically for the car wash industry. It removes road film easily in both self-service wash systems and automatics. KOMBAT™ is high foaming with a pleasing clean citrus fragrance for optimal customer appeal. This formula is designed to be used as a low pressure presoak, yet is versatile enough to be used as a high pressure detergent. KOMBAT™ is long lasting and offers customers an excellent solution for freight, inventory, handling, and warehousing issues.

AT A GLANCE

RESEARCH

Through R&D and field testing, KO Chemists combine creativity with technology to bring you products with the performance you require. Using our sophisticated KO lab we continually test new products, existing products, and our manufacturing processes for effectiveness and affordability. When a new product meets our requirements, it goes to a select group of end-users for real-world evaluation. Only after testing, evaluating, and re-testing is a KO product ready for distribution.
